RE: DAVID ROSS

To Whom It May Concern:

It gives me great pleasure to give Mr. David Ross a recommendation. On behalf of the staff at Piedmont Reproductive Endocrinology Group, PA (PREG), I would like to express our gratitude and appreciation of David. He has been instrumental in the set-up and maintenance of PayJunction. With this merchant service, our office has found it to be exceptionally easy, fast and user friendly. Any questions or concerns that we have had, David has been beyond remarkable when addressing those concerns.

On occasion, we have had to call with minimal problems-but before the phone call was ended, our issue was resolved. After the resolution of the problem, David would call back personally to insure our needs were met. I could not ask for a better representative. David has treated every minuet issue as if it were catastrophic. His efficacy and effectiveness has truly impressed us and I would recommend PayJunction to any practice that is looking to expand the possibilities of exceeding their patients/clients expectations.

Again, without reservation, I give my highest recommendation to David. He is truly an instrumental piece to PayJunction and any company, now or in the future, will be fortunate to have him as a part of their establishment.

Sincerely yours,

Faith Ripley
