David Ross
Paperless Payments/ Pay Junction

Dear David:

I want to thank you for introducing our company to Pay Junction. Your professionalism and ease to work with made the implementation seamless. Not only is the system user friendly but it will save us a significant amount of money in processing fees.

I would be confident in recommending any business to switch their credit card processing to Pay Junction.

Sincerely,

To Whom It May Concern

RE: Pay Junction

Our office has currently been using Pay Junction for two months and we have nothing but good things to say about the product, it is fast, easy and user friendly.

I would definitely recommend Pay Junction to any business who accepts credit cards or checks as acceptable payment methods.

Respectfully,
