Subspecialty in Reproductive Endocrinology & Infertility

August 4, 2015

To Whom It May Concern,

It is with great pleasure that I am writing a letter of recommendation for PayJunction. The Center was a previous customer of another vendor for approximately 5 years however; in July 2015, we terminated our contract due to costs and their inability to offer some of the services we desired.

PayJunction came highly recommended by a colleague who has been using them for the past several years. I was impressed by PayJunction's ability to lower our costs, increase our productivity (allow the set-up of automatic payments for patients on a payment plan), etc. David Ross and Nicholas DiNapoli have been very professional, well versed on their product/service(s) and eager to answer all our question(s).

I was, and continue to be, impressed with PayJunction. PayJunction is reasonably priced and has done exactly what they promised they'd do.

In conclusion, I would recommend PayJunction without hesitation. I would be happy to discuss our experience with you directly (contact information below).

Sincerely,

Michelle Lynch
